

# Driving guide to Stadler AG

## From Bale / Bern by car

On the freeway A2 (E35) take the exit "Emmen Süd" and turn right. After approximately 300m you will arrive on the traffic light by the "Seetalplatz". Use the center line. Turn around this roundabout approximately 90° and leave it in the direction to "Entlebuch/Bern". Follow this street approximately 2 km. After the small roundabout straight ahead you will see on the right side the "Migrol" gas station. After the gas station turn left to the train station. 300m straight ahead you will cross the tracks of the train station "Littau". In front you see a big building by 5 floors tall where Stadler AG is located. Follow the street and drive around the house. The parking lots are on the roof and marked with StadlerAG.

## From Zürich / Zug by car

On the freeway A2 (E35) take the exit "Emmen Süd" and turn left. After approximately 1 km you will arrive on the traffic light by the "Seetalplatz". Use the right line to the direction "Entlebuch/Bern". Turn around this roundabout and leave it in the direction to "Entlebuch/Bern". Follow this street approximately 2 km. After the small roundabout straight ahead you will see on the right side the "Migrol" gas station. After the gas station turn left to the train station. 300m straight ahead you will cross the tracks of the train station "Littau". In front you see a big building by 5 floors tall where Stadler AG is located. Follow the street and drive around the house. The parking lots are on the roof and marked with Stadler AG.
